Our Parish Planning Committee has met twice and are very excited to start improving our Church properties & School. The committee already has lots of ideas for improvements. In discussion following improvements were addressed: 1) build a new Hall closer to the Church with a full kitchen, plenty of bathrooms, and lots of space for classrooms, functions & parties. 2) build a pavilion on school grounds the size of 2 basketball courts, for everyone's use and to use during Festival time with electrical outlets, BBQ pits & bathrooms. 3) move the parish office back over to the rectory. 4) build new Church that holds more people. 5) minor repairs around the Church.

THEY WANT YOUR IDEAS ALSO!

~~On the back of this questionnaire is~~ an aerial view of our Church & School properties please look it over and let us know what ideas you have....maybe we can use them. Please fill out this Questionnaire & return it to the Parish Office ASAP. The Planning committee meets again on November 6th, hope your ideas can be turned in by then. Thank you :)
